Walthall CPAs And Rea & Associates Eye November 1 Merger Date

Rea & Associates Inc., a regional accounting and business consulting firm, has announced its intention to merge in the Cleveland-based firm, Walthall CPAs, on Nov. 1, 2017. The single, stronger practice that will form as a result of the merger will feature a team of more than 300 professionals who are ready to serve clients from 13 offices across the state of Ohio.

"We are excited for the opportunity to bring our two firms together," said Don McIntosh, CPA, CEO of Rea & Associates. "When you look at how long Walthall has been around, where the firm is situated in the state and their strong community-minded and client service-focused culture, bringing our two firms together just makes sense."
